

# **WHY**

**did the Portsmouth city council**

# **BAN UBER?**

**As of Sept. 17th, Uber and other ride-sharing services are ILLEGAL in Portsmouth.**

*"I'm sorry Uber can't work in our city. Unfortunately the police are going to have to enforce this."*

— Bob Lister, Mayor of Portsmouth  
Quoted in Portsmouth Herald, 9/15/15

**Studies show that drunk driving rates drop by more than 10% in cities where Uber operates.**

**By siding with a vocal minority of taxicab operators, the city council has chosen to INCONVENIENCE and ENDANGER Portsmouth's residents and guests.**

## **FIGHT BACK @ [FreeUber.org](http://FreeUber.org)**

Some Uber drivers are still operating in defiance of the ban.  
Please support them by calling for an Uber NOT a taxi!
